True. I'd rather NOT be the one flying in that cage. Miss all the fun

True, I'd rather NOT be the one lying in that case. Miss all the fun.

4 The big ones also pack a punch. Do they still sell those loud ass ones with the massive POP sound?
Those sound like they'd be similar to a flash bang at ground level.

▼ Similar to my sentiments last 4th of July. Normally I'm the type to be aggravated by the firework noise and it gets the dogs all scared and jumpy.

But this year, I have recognized that it is important that we celebrate out in the open.

▼ Bring your fireworks to DC on the 6th and celebrate the new year there. Nothing says you gotta celebrate it at midnight right when the clock ticks over to January 1st.
